To Whom It May Concern:

We at Goodwill Support Services Incorporated (GSS Inc.) are raising funds for our “Mommy Comfort Me (MCP)” Program. Goodwill Support Services Inc. was founded in March of 2010 to provide assistance to low-income families and summer program services for at-risk youth in Lowell, Massachusetts. The MCP Program is an ongoing project geared to help mothers in need of material goods (diapers, clothing, blankets, and so much more).

Our strategy is to engage the entire Lowell community in serving and providing for those in need. GSS Inc. achieves this by 1) collaborating with and supporting other organizations who address these needs, 2) establishing referral services for local families to various community programs 3) maintaining and distributing materials to the needy.

There are many organizations out there fundraising for worthy causes, but we hope that you will donate to Goodwill Support Services’ “Mommy Comfort Me” Program. Please take this opportunity to support us by calling us at 978-710-6720 or online at [www.goodwillsupportservices.com](http://www.goodwillsupportservices.com).

I would like to thank you in advance for reviewing our fundraising letter and I hope you give it every consideration.

Sincerely,

*George Tuffour*
